

JESSIE SAMPSON

Jessie currently works as an Internal Auditor and in addition, has more than 10 years of experience in both advisory and assurance engagements within public accounting. Jessie received her Chartered Professional Accountant designation in December 2016 and has since been a marker for the 2017-2020 Common Final Examinations and other module exams within the CPA program. Jessie has served on the Advisory Committee for the Holland College Accounting Technology Program and on the Finance Committee for Farmers Helping Farmers, in addition to Hospice PEI board.

Jessie understands the importance of the services provided by Hospice PEI and uses her accounting background to help the organization the best way she can.
