

KIM MONTEITH

Kim is now semi- retired after a lengthy career in banking and finance in both Halifax and Charlottetown, and a second career in the travel industry where she managed several travel agencies, again in Charlottetown and Halifax, and opened her own travel agency “Coronation Travel” in 2007.

Since 1986, Kim has also been involved on a volunteer basis with several not for profit cultural exchange organizations based in Montreal and Edmonton, and sat on the board of directors for 3 terms as Vice President, as well as being the Atlantic Division President for one organization for 10 years, and later as the Regional Coordinator for Atlantic Canada for a second organization from 2007 until 2016. In addition to her roles on the boards of directors for these organizations, Kim and her family have hosted more than 20 high school aged students from around the world for varying lengths of time from one month to one year.

Kim was introduced to Hospice through her mother who was a Hospice volunteer in Halifax for many years. After the passing of her husband in Halifax in 2015, Kim moved back to PEI to be close to her adult children and grandchildren. Becoming involved with Hospice PEI was one way Kim felt she could use her personal life experiences and education to assist with end of life care for Islanders. Kim lives in Charlottetown with her partner Martin and spend a lot of time with their families and have enjoyed travelling around the world. Kim has always considered herself an “adventurologist”!
