

KAREN FULLERTON

Karen has worked in health care for over 38 years. Commencing with nursing, she has continued her career in several management positions, business development projects leads, government proposals, non-profit organizations, and collaborating with many community resources and support systems.

She has served both as board member and chair of Hospice Greater Moncton Inc., Senior Information Centre, the Coalition for Senior's Rights and worked with the Age Friendly Community Legacy Project, Summerside, PE.

Having organized several fundraising events for Hospice Palliative Care in NB and co-leading in the establishment of a "Hospice Shop" in Moncton, Karen's primary interest continues to be quality health care delivery.
